There are apparently been in the Library. The Librarian has just announced: "No bees are active again. Anyone allergic to bee stings, please leave." Been at Elddale & been at Lakeland. Very amusing.

Brad Bowerman has too many 7th & 8th graders for my taste; I much prefer the students to be in High School. I have <sup>seen</sup> teen agers but I do not like at all pre-pubescent (young teenagers). Five times today I showed the film "Bill of Rights -- Right to Privacy." The students were too young for the film, for the most part. I borrowed a projector from Mr. Reduto (whose room is next to Bowerman's).

While I was in the Library the first period, the Librarian (who makes the substitute calls) asked me if I could sub on Tuesday for Bob Morcom in History -- "Yes," said I. I believe that I am regarded as a very desirable substitute at Lakeland. I have done:

Lakeland - 5 days  
CAHS - 5 days  
Forest City - 2 days

14 days in the period 9/28 - 10/29

Tomorrow & Wednesday I will be at Lakeland again -- Tomorrow (Bob Morcom, history) & Wednesday (John Hawsum, English).

Got a check from CAHS today for days 4-5-6-7:  
Check #00897, dated 10-26-84 - for \$114.75.

a regular rhythm of income checks will soon establish itself and that will be fine. Like all new jobs, the initial period of establishing the rhythm in this substitute teaching business is somewhat difficult. CAHS pays every two weeks; F.C. pays once a month; Lakeland may also pay once a month. On Verra.

Spent most of my free time today working on establishing file sheets on Elddale Cemetery tombstones. I will produce a master file on the Cemetery and will become the leading authority on who is buried therein.
